PART II: GROUP LIFE INSURANCE

C.2.0 GROUP LIFE INSURANCE

The Government of the United States of America requires group life insurance coverage for its employees, as further described in C.2.2, in the Republic of Serbia. The Government has determined that the prevailing practice by employers in the Republic of Serbia is that group life insurance coverage is representative of locally prevailing compensation practice and that the cost of such insurance protection is borne by the employer. Therefore, the Government desires to adopt such locally prevailing practice as part of its compensation plan for its employees as further described in C.2.2. The specific group insurance coverage under this contract is set forth in this part of Section C and the Attachments in Section J.

In all cases, the contract shall take precedence. If the Contracting Officer requests a refund, the Contractor shall make that refund to the Government within ten calendar days of receipt of the request.

G.6 VALUE ADDED TAX

All such revisions shall be consolidated, and a new or modified task order will be issued by the Contracting Officer. If any changes have been made to the coverage listing, the Government anticipates issuance of a new task order on a [] monthly, [**X**] quarterly basis. This new task order will include all changes made since the previous task order was issued and will include any increase or decrease in necessary funding. (a) Any supplies and services to be furnished under this contract shall be ordered by issuance of delivery orders or task orders by the individuals or activities designated in the Schedule. Such orders may be issued from the first day of the ongoing performance period through the last day of that performance period. See F.2.

(b) All delivery orders or task orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order or task order and this contract, the contract shall control.

(c) If mailed, a delivery order or task order is considered "issued" when the Government deposits the order in the mail. Orders may be issued orally, by facsimile, or by electronic commerce methods only if authorized in the Schedule.

(End of clause)

52.216-19 ORDER LIMITATIONS (OCT 1995)

(a) Minimum order. When the Government requires supplies or services covered by this contract in an amount of less than \$25.00, the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.

(b) Maximum order. The Contractor is not obligated to honor--

(1) Any order for a single item in excess of \$30,000;

(2) Any order for a combination of items in excess of \$50,000; or

(3) A series of orders from the same ordering office within 2 days that together call for quantities exceeding the limitation in subparagraph (1) or (2) above.

(c) If this is a requirements contract (such as, includes the Requirement clause at subsection 52.216-21 of the Federal Acquisition Regulation (FAR)), the Government is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum-order limitations in paragraph (b) above.

(d) Notwithstanding paragraphs (b) and (c) above, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within 2 days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.

(End of clause)

52.216-21 REQUIREMENTS (OCT 1995)

(a) This is a requirements contract for the supplies or services specified, and effective for the period stated, in the Schedule. The quantities of supplies or services specified in the Schedule are estimates only and are not purchased by this contract. Except as this contract may otherwise provide, if the Government's requirements do not result in orders in the quantities described as "estimated" or "maximum" in the Schedule, that fact shall not constitute the basis for an equitable price adjustment.

(b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. Subject to any limitations in the Order Limitations clause or elsewhere in this contract, the Contractor shall furnish to the Government all supplies or services specified in the Schedule and called for by orders issued in accordance with the Ordering clause. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.

(c) Except as this contract otherwise provides, the Government shall order from the Contractor all the supplies or services specified in the Schedule that are required to be purchased by the Government activity or activities specified in the Schedule.

(d) The Government is not required to purchase from the Contractor requirements in excess of any limit on total orders under this contract.

(e) If the Government urgently requires delivery of any quantity of an item before the earliest date that delivery may be specified under this contract, and if the Contractor will not accept an order providing for the accelerated delivery, the Government may acquire the urgently required goods or services from another source.

(f) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; provided, that the Contractor shall not be required to make any deliveries under this contract after 95 days.

(End of clause)

52.217-8 OPTION TO EXTEND SERVICES (NOV 1999)

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 5 years.

(End of clause)

52.232-19 AVAILABILITY OF FUNDS FOR THE NEXT FISCAL YEAR (APR 1984)

Funds are not presently available for performance under this contract beyond 30 September of each Government Fiscal Year. The Government's obligation for performance of this contract beyond that date is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise for performance under this contract beyond 30 September of each Government Fiscal Year, until funds are made available to the Contracting Officer for performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer.

(End of clause)

K.6 52.209-5 CERTIFICATION REGARDING RESPONSIBILITY MATTERS (OCT 2015)

(a) (1) The Offeror certifies, to the best of its knowledge and belief, that --

(i) **The Offeror and/or any of its Principals** --

(A) Are ☐ are not ☐ presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have ☐ have not ☐, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property (if offeror checks "have", the offeror shall also see 52.209-7, if included in this solicitation); and

(C) Are ☐ are not ☐ presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision; and

(D) Have ☐, have not ☐, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples.

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is

not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Offeror has [] has not [], within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) "Principal," for the purposes of this certification, means an officer; director; owner; partner; or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division or business segment; and similar positions).

This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror non-responsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.

The Government will use this information to determine the offeror's financial responsibility and ability to perform under the contract. Failure of an offeror to comply with a request for this information may cause the Government to determine the offeror to be non-responsible.

SECTION M EVALUATION FACTORS FOR AWARD

M.1. EVALUATION OF PROPOSALS

M.1.1. General. To be acceptable and eligible for evaluation, proposals must be prepared in accordance with Section L - INSTRUCTIONS, CONDITIONS AND NOTICES TO OFFERORS, and must meet all the requirements set forth in the other sections of this solicitation. Acceptable proposals will be evaluated pursuant to this section, and award shall be made as set forth in M.3 below.

M.2. OVERALL EVALUATION

Proposals will be evaluated in two phases: a technical evaluation to determine the acceptability of the offer to the solicitation technical requirements; and a price evaluation to determine the total evaluated price proposed by each offeror. The "total evaluated price" is the cumulative total of the base year insurance plus all option years for the total estimated quantity specified in Section B.

The Government will make a responsibility determination by analyzing whether the apparent successful offeror complies with the requirements of FAR subpart 9.1, including:

- Adequate financial resources or the ability to obtain them;
- Ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments;
- Satisfactory record of integrity and business ethics;
- Necessary organization, experience, and skills or the ability to obtain them;
- Necessary equipment and facilities or the ability to obtain them; and
- Be otherwise qualified and eligible to receive an award under applicable laws and regulations.

M.3. AWARD SELECTION

M.3.1. General. The award selection will go to the lowest priced, technically acceptable, responsible offeror. As described in FAR 52.215-1, "Instructions to Offerors - Competitive Acquisition," which is incorporated by reference in Section L, award may be made based upon initial offers, without discussions. The offeror must also be licensed/certified/accredited.

M.3.2. Profit Sharing Credit Plan

In the event of equal proposals and in the event that one offeror presents an acceptable Profit Sharing Credit plan, the offeror proposing the most generous plan, in terms of benefit to the Government will receive the award. This profit sharing credit plan will be part of the resultant contract.

M.4. FIXED PRICES

Offerors must propose fixed prices for the coverage identified in Section B - SERVICES AND PRICES. Proposals that do not include fixed prices cannot be evaluated for the total requirement and will be rejected.

M.5. TECHNICAL EVALUATION

Offers will be evaluated on:

(i) Meeting each of the individual mandatory requirements/minimums for health insurance coverage specified in Section C through H and the Exhibit(s). The Government may reject, as technically, unacceptable proposals that:

- (a) Fail to provide the minimum benefits required by the solicitation; or
- (b) Offer additional benefits not required by the solicitation (even though there is no increase in the price).

(ii) The demonstration that the offeror is licensed/certified/accredited or otherwise authorized by the government of Serbia or its agent (e.g., insurance commission, board) to provide life insurance coverage to persons (to include organizations, companies, groups) within the host country. If the offeror is not licensed/certified/accredited or otherwise authorized by the government of Serbia, it must demonstrate that it is licensed/certified/accredited by a government other than that of the host country to provide life insurance for persons in Serbia and must demonstrate its capacity to provide life insurance benefits in Serbia to meet the minimum requirements and other conditions set forth in this solicitation; and,

(iii) Meet all other terms and conditions set forth in this solicitation.

M.6. 52.217-5 EVALUATION OF OPTIONS (JULY 1990)

The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s).

M.7. PRICE EVALUATION

For the purpose of evaluation, and for no other purpose, evaluation of prices submitted will be made on the basis that the Government will order the estimated quantities shown in Section B – SERVICES AND PRICES, of this solicitation.

M.8. SEPARATE CHARGES

Separate charges, in any form, are not solicited. For example, proposals containing any charges for failure of the Government to exercise any options will be rejected. The Government shall not be obligated to pay any charges other than the contract price, including any exercised options.

M.9 AWARD WITHOUT DISCUSSIONS

In accordance with FAR provision 52.215-1 (included in Section L of this RFP), offerors are reminded that the Government may award this contract based on initial proposals and without holding discussions, pursuant to FAR 15.305(a).

M.10 52.225-17 EVALUATION OF FOREIGN CURRENCY OFFERS (FEB 2000):

If the Government receives offers in more than one currency, the Government will evaluate offers by converting the foreign currency to United States currency using the exchange rate used by the Embassy in effect as follows:

- (a) For acquisitions conducted using sealed bidding procedures, on the date of bid opening.
- (b) For acquisitions conducted using negotiation procedures—
 - (1) On the date specified for receipt of offers, if award is based on initial offers; otherwise
 - (2) On the date specified for receipt of proposal revisions.
